

Our adoption policy is simple: we would like handmade alpaca products to sell at our farm store and at events. You would like some alpacas. So, we will exchange alpacas for hand made products. You choose the alpacas (and there are many to choose from), show us a sample of your work – scarves, hats, trivets, rugs, yarn, sweaters, and on and on and on... and we make a deal! Plus, you get your handmade products advertised! It's a win-win situation, but it's only available until we have no more alpacas we want to barter. And just so you know, we consider these our "kids," so we will check out your home front to be sure our alpacas will be as spoiled at your place as they were at ours. When the deal is completed, we sign the alpacas over to you and they are yours, free and clear.
